We'll start processing your wire the same business day if we receive it before 5PM ET. If we receive your request after that time, we'll process it the following business day.

Before we send a wire, it goes through an internal review process, and in some cases we may need to contact you to verify your request. After we've sent the wire, the receiving bank may have its own review process, which could further delay delivery.

Your recipient will typically get an international wire within 3-5 business days.
